TEACHER OF DESIGN TECHNOLOGY

Product Design; Food Technology; & Textiles

We are seeking to appoint a successful and well qualified teacher to join a successful Design and Technology department of four teachers. This post would be appropriate for an experienced teacher or for an NQT. The ability to offer a second subject in addition to Design and Technology is essential.

At KS3 students study one term of Products Design, Textiles and Food each year. At KS4 pupils follow GCSE Product Design (AQA). At KS5 pupils follow the GCE in Product Design (AQA). The department offers an excellent range of Health and Safety courses for D&T Teachers.

Lampton School is a mixed, multi-ethnic 11-18 school that converted to Academy status in September 2010. We are a National Teaching School and have IIP Status. Lampton School was judged as "outstanding" in all categories by Ofsted in May 2008 and again in May 2013. It was also featured in the Ofsted report 'Twelve outstanding secondary schools - Excelling against the odds'. The school is a Lead member of Challenge Partnership – a national collaborative network of 240 schools committed to improving the quality of education across our network. It is also the lead school in a School Direct alliance – and heavily committed to the training of new teachers.

Lampton School actively encourages and supports the safeguarding and protection of all its pupils. This post is subject to an enhanced DBS disclosure.
