The school will be open for students to collect their exam results on the following days:

GCE AS level	12	15 th August	10am - midday

If students are not available to collect results at these times and dates then there are two alternatives:

1. They provide the examinations office with a signed letter explicitly giving permission for another person (including parents) to collect their results. This letter must be received before the end of term (18th July 2019).
2. Any results not collected by midday, will be posted to the home address of the student.
