It will be a practical, hands-on session with ideas to foster children's curiosity.	As per policy	Location: Webinar Wednesday 31st March 2021 16:00 - 18:00

Meet the Expert Science Practicals	2 hour session	Effective practical's at Primary with Dr Richard Branch In this session we will explore a straightforward framework for conducting effective practicals in primary science. We will practice using the framework with hands-on biology, chemistry and physics practicals. (Nb: experiments will be different to last year's session!).	FREE for LWA & Membership Schools Other schools: £40 per delegate and £70 for two delegates	Location: Lampton School or Webinar Thursday 22nd April 2021 16:00 - 18:00
Meet the Expert Motivation	2 hour session	Understanding students - Motivation in the classroom and enhance it with Dr Lynne Isham In this workshop, Dr Isham will draw on theories from the field of cognitive motivation to explore classroom approaches that are more likely to foster positive attitudes towards learning at the level of the individual lesson and over time.	FREE for LWA & Membership Schools Other schools: £40 per delegate and £70 for two delegates	Location: Lampton School Wednesday 5th May 2021 16:00 - 18:00
Meet the Expert From intent to impact planning	2 hour session	From Intent to Impact-planning for coherence and depth in Primary History with Andrew Wrenn How can we keep primary history engaging while still meeting OFSTED expectations to teach in greater depth? This practical course will show how schools can structure their curriculum maps so that pupils accumulate more knowledge over time but still capture their interest in the subject. It will demonstrate how to plan through rigorous enquiry questions that revisit important concepts and themes at regular intervals across the key stages.	As per policy	Location: Lampton School Thursday 20th May 2021 16:00 - 18:00

<p>Meet the Expert</p> <p>Practice makes perfect</p>	<p>2 hour session</p>	<p>Practice makes perfect with Dr Richard Branch Getting students to practice seems to be an undervalued activity in education. Yet cognitive science indicates that practice is a prerequisite to developing expertise in any subject. In this session, we will discuss how practice develops fluency, transferability and durability in student knowledge and understanding.</p>	<p>FREE for LWA & Membership Schools</p> <p>Other schools: £40 per delegate and £70 for two delegates</p>	<p>Location: Lampton School</p> <p>Tuesday 25th May 2021 16:00 - 18:00</p>
<p>Meet the Expert</p> <p>Academic literacy in KS3 Science</p>	<p>2 hour session</p>	<p>Academic literacy in KS3 science with Dr Richard Branch. Without a firm grasp of academic vocabulary, it is difficult to communicate effectively in science. In this session, we will explore the Select-Explain-Explore-Consolidate (SEEC) strategy recommended by researchers to promote ‘word depth’, and we will explore the use of ‘super glossaries’ to support enhanced academic literacy.</p>	<p>FREE for LWA & Membership Schools</p> <p>Other schools: £40 per delegate and £70 for two delegates</p>	<p>Location: Lampton School</p> <p>Thursday 10th June 2021 16:00 - 18:00</p>
<p>Meet the Expert</p> <p>Pupils well-Being in schools</p> 	<p>2 hour session</p>	<p>How to support children’s well being and mental health within the classroom setting and in a more one-to-one therapeutic setting with Marcus Guy The session will focus on how to identify pupils’ needs and support them using external as well as in school through its inclusion team and classroom teachers.</p>	<p>FREE for LWA & HEP Schools</p> <p>Other schools: £40 per delegate and £70 for two delegates</p>	<p>Location: Webinar</p> <p>Thursday 24th June 2021 16:00 - 18:00</p>

There are three ways to benefit from the LWATS's services:

- Annual subscription
- Member of the LWA Hub (Challenge Partners)
 - Pay as you go

SUBSCRIPTION FOR 2020 - 21	
Primary schools	£2,600
Secondary schools	£3,800
Special schools	£1,500

We will be following DfE and Government guidelines regarding social distancing to make sure our training sessions are safe. This will be under constant review and may change if circumstances require.

Our Webinars and online Teaching and Learning training programmes (CTP, OTP...) are only accessible to LWA Alliance members. We intend to start some face-to-face training by October half term, all being well. Your safety is our main priority, and we hope to welcome you back very soon.
