

MEET THE EXPERT

The London West Alliance is pleased to invite you to
a Primary Geography CPD facilitated by

Dr Paula Owens

HOW TO MAKE PRIMARY PUPILS THINK LIKE GEOGRAPHERS

This workshop will explore lively and engaging ways to bring National Curriculum Primary Geography to life for teachers in key stages 1 and 2. In this CPD, we will explore the wonder of Geography and consider what it means to see the world through a geographical lens. We seek to support teachers to develop knowledge rich, progressive curriculum opportunities that promote geographical vocabulary and value geography enquiry approaches. We will share a range of teaching and learning ideas for developing children's knowledge of the world, meaningful map-making and creative fieldwork. This workshop will include practical, hands-on ideas to foster children's curiosity and fascination in their local area and beyond, with attention to geographical thinking and rigour.

This session will take place on
Wednesday 31st March 2021
From 4:00 - 6:00pm

WEBINAR

MEET THE EXPERT

The London West Alliance is pleased to invite you to
a Primary Geography CPD facilitated by

Dr Paula Owens

Paula is an independent advisor and former curriculum development lead for the Geographical Association (GA). She was a primary teacher for 20 years and a Deputy Head teacher with responsibility for whole school curriculum planning, assessment, geography, sustainability and outdoor education. She is a Primary Geography Champion and consultant for the GA and a fellow of the Royal Geographical Society. As a Visiting Research Fellow at Canterbury University, her research interests within primary senior geography include education for sustainability, map-making and meaning, values education and critical thinking.

Cost:

- ▶ £35 for LWA members and £40.00 for other schools
- ▶ **SEND TWO DELEGATES FOR £60** for LWA members (£70.00 for other schools)
